--: On Campus Placement Drive-2025 :-

Students' Counseling & Placement Cell, Polytechnic in Animal Husbandry, College of Veterinary Science & Animal Husbandry, KU, Junagadh, organized a video-telephonic on-campus placement session on July 17, 2025. **Shri Rayaba Salave**, an area manager and representative of **Wellcon Animal Health Pharma**, remained present during the placement drive to recruit paravets for the post of **Medical Representative**. Dr. D.N. Borakhatariya, Secretary, Students' Counselling & Placement Cell, PAH, Junagadh, gave a warm welcome speech to kick off the placement program. Shri Rayaba Salave, Area Manager, Wellcon Pharma, then gave a brief overview of the company and a thorough job description.

Earlier, a total of 03 (three) students registered their candidature to grab the placement opportunity. Each student was interviewed virtually one-on-one by the recruiter. All the students (three) who appeared in the interview were selected for the Medical Representative (MR) position, which comes with a yearly payout (CTC) worth 2, 16, 000/- (two lakh sixteen thousand) rupees, and other allowances. Congratulations are extended to the students who were selected from the campus interview by Dr. G.P. Sabapara, Principal, PAH, Junagadh, and Dr. D.N. Borakhatariya, Secretary, Students' Counseling & Placement Cell, PAH, Junagadh.
