From the Vice Chancellor's Desk

KU scales up on all fronts...!

I took over the reins of Kamdhenu University on October 26, 2018. I am elated and willing to strain every nerve and sinew for making the flag of KU flutter high in air with pride and accomplishments.

A lot has been done to bring this University, which started in 2009 to the present shape in 2018. In this regard, I appreciate the efforts of all involved in developing KU. I have to cudgel my brain and garner all the faculties to make this University vibrant and undertake the jobs at hand like our own Campus for University Headquarters, development of Himmatnagar and Amreli Campuses, make KU viable and full-fledged and get accredited by ICAR. The list is long.....!

I am glad that on this journey, our Hon. Minister, Animal Husbandry, Shri Kunvarji Bavaliya; Additional Chief Secretary, Agriculture, Farmers Welfare & Co-operation, Shri Sanjay Prasad and Secretary, Animal Husbandry, Cow Breeding, Fisheries & Cooperation, Shri Mohammad Shahid have assured their utmost cooperation.

On KU front, I am happy to know about 2nd rank achieved by a student of College of Dairy Science, Amreli in ICAR Jr. Fellowship Examination which hints at quality education being imparted by KU Faculties and also about vibrant events 'Spandan', 'Sarjan' & 'Samvad' and Women's Dairy Farmers Training and other such programmes.

I seek the whole hearted co-operation of KU family to nurture the cherished dream of Hon. Prime Minister i.e. Doubling Farmers' Income by 2022 by contributing in a meaningful way.

I wish to walk the dictum of Katha Upanishad ;

“उत्तिष्ठ जाग्रत प्राप्य वरान्निबोधत”

(Arise, awake and stop not till the goal is reached)

- Swami Vivekanand

Dr. N. H. Kelawala

Welcome Programme of Dr. N. H. Kelawala, Hon'ble Vice Chancellor, Kamdhenu University, Gandhinagar

Dr. N. H. Kelawala has joined Kamdhenu University as regular Vice Chancellor on 26th October, 2018 with a specific vision of developing Kamdhenu University into a full-fledged one with all the three faculties - Veterinary, Dairy and Fisheries flourishing under its

umbrella. Kamdhenu Parivar has organized the Welcome programme of Dr. N. H. Kelawala, Hon. Vice Chancellor, Kamdhenu University on 30th October, 2018 at University Headquarter, Gandhinagar.

Dr. D. B. Patil, Director of Research and Dr. P. H. Vataliya, acting Vice Chancellor & Director of Extension Education welcoming Dr. N. H. Kelawala, Hon. Vice Chancellor, KU

In this programme, Dr. D. B. Patil, Director of Research and Dr. P. H. Vataliya, acting Vice Chancellor & Director of Extension Education welcomed the new Vice chancellor with flowers and introduced him to the staff of University. Dr. D. B. Patil, Director of Research shared his previous experiences with Dr. N. H. Kelawala and stated that he is widely known for outstanding educational standing, illustrious service career, innovative approach, out-of-the-box initiatives, progressive vision and above all societal orientation in assigned work. Dr. P. H. Vataliya, Director of Extension

Education also shared his experiences and stated that he is self-motivated, dynamic Veterinary Science Professional and Eminent Academician- Researcher with proven administrative expertise.

In the concluding remarks, Dr. N. H. Kelawala stated that Animal Husbandry Sector along with Fisheries always alleviated farmers from agrarian crises. With a clarion call from our Hon. Prime Minister to "Double Farmer's Income by 2022", it is my moral responsibility to envisage concrete steps for sustainable development and inclusiveness in domains of Veterinary, Dairy and Fisheries.

Inauguration of Demonstration on Wheels

Kamdhenu University, Gandhinagar's two Minibuses for demonstrations on wheels was inaugurated by Shri Kunvarjibhai Bavaliya, Hon. Cabinet Minister of Animal Husbandry, Water Supply and Rural Housing, Govt. of Gujarat on 10th October, 2018 at Karmayogi Bhavan, Gandhinagar. On this occasion, Kunvarjibhai suggested to provide information on scientific dairy and fisheries farming to the farmers/ cattle owners through this demonstration on wheels. On this

occasion the then Vice Chancellor, Kamdhenu University Dr. P. H. Vataliya said that the demonstration on wheels will be used to educate dairy farmers and fisherman about modern methods of animal husbandry and University students and experts will use this for animal husbandry, dairy and fisheries education and extension activities across the state. All officers and staff members of KU remained present in the occasion.

Inauguration of Minibuses for Demonstration on Wheel by Shri Kunvarjibhai Bawaliya, Hon. Cabinet Minister of Animal Husbandry, Water Supply and Rural Housing and Dr. P. H. Vataliya, the then Hon. Vice Chancellor & Dr. D. B. Patil, DR, Kamdhenu University, Gandhinagar

Dairy Farm Women Training Programme at Dhamasana, Ta. Kalol, Dist. Gandhinagar

Directorate of Extension Education, Kamdhenu University organized "Dairy Farm Women Training Programme" on 1st November, 2018 at Dhamasana, Ta. Kalol, Dist. Gandhinagar. The programme was inaugurated by Dr. P. H. Vataliya, Director of Extension Education, Kamdhenu University in the august presence of Dr. Falguni Thakar, Additional Director, Department of Animal Husbandry, Gujarat, Dr. R. G. Shah, Associate Director of Research, Kamdhenu University and Dr. P. P. Patel, Project Officer, Kamdhenu University. Total 150 dairy farm women participated in the said training programme.

In the inaugural speech Dr. P. H. Vataliya emphasized on need of adoption of scientific animal husbandry practices by dairy farmers for their economic as well as social development. Dr. Falguni Thakar delineated the need to work on breed improvement, balanced

feed and improved hygiene. She also encouraged dairy farm women to pursue advanced animal husbandry practices to maximize their income and become self-reliant. Dr. R. G. Shah emphasized on important nutrient qualities of indigenous cow milk from the consumer health point of view. He also stressed on judicious savings from the proceeds of dairying.

During technical session training lectures were given by Dr. R. G. Shah, Dr. S. J. Vekariya and Dr. M. B. Rajput followed by question answer session and interaction with the dairy farm women. The training was mainly focussed on modern dairying, ration balancing, health, hygiene, artificial insemination and clean milk production about which dairy farm women got recent technical updates.

Dairy farm women attending training programme at Dhamasana, Ta. Kalol, Dist. Gandhinagar

Animal Husbandry Training Programme at Juna Untarada, Ta. Dehgam, Dist. Aravalli

Directorate of Extension Education, Kamdhenu University organized "Scientific Animal Husbandry Training Programme" on 12th December, 2018 at Juna Untarada, Ta. Dehgam, Dist. Aravalli. The programme was inaugurated by Dr. N. H. Kelawala, Hon. Vice Chancellor, Kamdhenu University in the august presence of Dr. P.H. Vataliya, Director of Extension Education, Kamdhenu University, Dr. M. N. Patel, Senior Manager, Sabar Dairy, Dr. R.G. Shah, Associate Director of Research, Kamdhenu University, Dr. P.P. Patel, Project Officer, Kamdhenu University and Shri Ghanshyambhai Patel, Sarpanchshri, Juna Untarada. Total 261 dairy farmers and farm women participated in the training programme.

In the inaugural speech Dr. N. H. Kelawala, Hon. Vice Chancellor said that there is no dearth of quantity of milk, what we lack is quality. Since we have earned

top place in milk production globally, we need to work very hard to improve the quality of raw milk as well as milk products. Dairy stakeholders will have to work relentlessly until we attain international quality standards. Dr. P.H. Vataliya, Director of Extension Education delineated the benefits of training programme to farmers. He advised dairy farmers to adopt scientific as well as organic animal husbandry practices and encouraged them to practice good hygienic methods of livestock keeping ensuring good quality of milk. He also emphasized on role of dairy farmers for development of dairy sector in Gujarat. Dr. M. N. Patel advised and inspired dairy farmers to adopt organic animal husbandry practices and emphasized importance of clean milk production. During technical session training lectures were given by Dr. R. G. Shah, Dr. S. J. Vekariya and Dr. M. B. Rajput followed by question answer session and interaction with the dairy farmers and farm women.

Lighting of Lamp by Dr. N. H. Kelawala, Hon. Vice Chancellor, KU, Dr. P. H. Vataliya, Director of Extension Education, KU, Dr. M. N. Patel, Senior Manager, Sabar Dairy and other dignitaries
