## Message

**Dr. N. H. Kelawala**  
**Vice Chancellor**

The National Service Scheme (NSS) was started on 24<sup>th</sup> September 1969, to establish a meaningful linkage between the campus and the community. Mahatma Gandhi, the Father of the Nation, had recognized that the country could not progress in a desired direction until the student youth were motivated to work for the upliftment of the villages/community. Therefore for the notional reconstruction and resurgence, it was deemed fit that the students and teachers should be properly sensitized and work for strengthening the Indian society as a whole with particular emphasis on rural community.

There has been a great deal of enthusiasm among the students of Kamdhenu University in various programmes taken up under the scheme. To provide opportunity to the youth of the University, NSS Units of the University had celebrated I organized International Yoga Day, Swachchhta Pakhwada, blood donation camp, Swine Flu Prevention Programme, Thalassemia testing, Tree plantation program, Clean Milk Production Awareness programme etc. five Special camps were also conducted during the year under report and students have also represented the university at State and National Level.

With the multi-pronged efforts of Program Coordinator, Program Officers and all the NSS cadets of Kamdhenu University, the fundamental principles of NSS shall be fulfilled through joint participation in community service with a sense of involvement in the tasks of nation building.

NSS activities facilitated creativity to flourish with firsthand experience, collaboration, team spirit, thus strengthening the cultural mindscapes under rural settings.

Jai Hind
